To request emergency assistance or to refer a PXU student or family, please contact your campus Community Liaison (see below directory and contact information). Applications must be completed through your campus Community Liaisons and/or a Family and Community Engagement representative.

All applications will be reviewed by the PUF E Emergency Relief Committee. Applications will be processed in the order in which they are received but may take up to 7-10 business days for review and award disbursement.

In order for an application to be considered for approval, the following criteria must be met:

- Financial assistance through the Emergency Relief program is limited to one time per semester (July-December & January-June).
- The applicant must have experienced an economic hardship, loss of employment, family death, etc.
- The applicant must be able to provide a copy of the most recent bill, invoice, and/or statement for which they are seeing financial assistance.
